MAROON AND GREY 1929-1959 ADDENDUM

Franklin Alumni Association

This year members of the Franklin High School Alumni Association will meet for the fiftieth time to reminisce about bygone school days, to renew acquaintances and to enjoy the presence of former classmates. Love of the school, fond memories of what happened during those school years and the unique warmth of special Franklin people keep drawing graduates and former students back year after year to the annual banquet. The last class was graduated from Franklin High School in 1959, yet the Franklin spirit still lives on burning brightly in the hearts of all who entered her doors and partook of the "ambrosia of learning" which existed for all. There will be a Franklin Alumni Association and an annual banquet as long as there are Franklin "sons and daughters".

The Alumni Association authorized the compilation of this *Addendum* to the *Franklin Maroon and Grey 1929-1959*, Twenty-Fifth Anniversary Edition, at its 1987 annual meeting as a means of commemorating its fiftieth anniversary in May, 1987. Hampton Beamer '54, President, appointed Robert Holder '48, Advisor, to assemble a staff and compile the *Addendum*.

Nearly a year of work has produced this *Addendum*. It will add to the information that is known about Franklin School; it will not complete the history of Franklin School because that task will never be accomplished. A complete history cannot be written because all of the evidence that is necessary to write about events of the past is not available and, also, because the influence of the school will continue to live through the lives of students and their decendents. While school organizations may change, buildings may burn or decay and new buildings may be erected, Franklin High School, the school students knew and loved, will live on. The Franklin spirit will never be extinguished!

The *Addendum* is submitted to the members of the Alumni Association with the hope that it will fan the flame of the Franklin spirit and love for the school which burns within the hearts of her students. This is our way of saying "thank you" for the influence which this school has had upon all our lives.

To quote Miss Louise Kendall, who served this association as advisor for many years, "From the doors of Franklin School have gone men and women to all walks of life carrying in their hearts the Franklin Spirit. Established long ago and nurtured through the years, this spirit helped them learn to do a job well, to give of themselves unselfishly, and to deal fairly with others."

Yes, Franklin left its imprint on the lives of hundreds of boys and girls. Years afterward they look back with pride and joy and say, "This was Franklin, this was my school!"

Miss Louise Kendall 1908-1984

Miss Louise Kendall is dead at 75.

The well-known retired educator who founded the Franklin School Alumni Association, died Thursday at Medical Park Nursing Center in Mount Olive following a lengthy illness.

Miss Kendall had been a teacher-guidance counselor for 45 years when she retired in June, 1974. A charter member of the faculty of North Surry High School, she had been a member of its staff for 15 years, 11 of them in the Guidance Department.

A graduate of Guilford College, she received her Masters degree from Appalachian State University.

Her first teaching assignment was in Randolph County, where she taught for three years. She next taught in Guilford County for five years and then began her 22-year stay at Franklin Elementary School.

At Franklin and North Surry, she taught Spanish as well as English, served as counselor, librarian, newspaper advisor, yearbook advisor, drama director and girls's basketball coach. She also helped organize the North Surry Alumni Association.

Miss Kendall was the guiding light behind the formation of the Franklin Alumni Association, which began in 1939 and is believed to be the oldest in the state.

She loved travel and toured extensively in South America, Europe, the Caribbean Islands and Canada. On numerous occasions, she became an unofficial travel editor for the TIMES, writing articles for the newspaper while on her travels.

She had been an active member of Central United Methodist Church and was a past president of the United Methodist in the Winston-Salem Northeast District. She had also been a member of the administrative board of the local church and was a member of the Ross Francisco Sunday School Class.

Robert O. Poplin, Jr., retired principal of North Surry High School, said this week, "Miss Kendall loved young people, and she loved school work. She encouraged worthy students to go on to college, or to seek other advanced training. She was active in helping students obtain scholarships. Her encouragement made a big difference to a host of boys and girls who have gone on to become fine men and women.

"Miss Kendall had an understanding heart, and she had a way of getting boys and girls to work hard with enthusiasm," he continued. "She helped many students, not just because this was her job but rather because she wanted to help them.

"She was loved and respected by students and fellow faculty members. Her passing saddens all those whose lives she enriched."

Dennis W. (Bud) Cameron, Surry County Register of Deeds, who taught with Miss Kendall at North Surry, said, "Louise Kendall was a teacher's teacher. During her long career, she had taught almost every subject. Young teachers found her a great help and her varied experience gave her great insight.

"She was one of the first people I met when I came to North Surry as a teacher. Her help and friendship have always meant a lot to me.

"Louise cared about young people," Cameron declared. "Whether it was in the classroom, working on a yearbook, coaching a basketball team, or trying to obtain financial aid for deserving students, she cared.

"Many people have benefitted from their association with this great lady and I am one of them."

Born July 1, 1908 in Guilford College, she was the daughter of Milton L. and Ila Mae Kendall.

Graveside services were held at 1 p.m. Sunday at New Garden Cemetery in Greensboro. A memorial service was held at 3:30 p.m. Sunday at Central United Methodist Church, conducted by Dr. Julian Aldridge, Jr.

Surviving are a long-time companion and friend, Miss Virginia Coltrane; two sisters, Mrs. Edith Miller of Greensboro and Mrs. Marianne Williams of Columbia, Md.; one niece; and four nephews.

Miss Louise Kendall was the force behind the Franklin Alumni Association. It was her idea; she formalized the concept of what the Alumni Association should be. She provided the inspiration and leadership that caused people to realize that an Alumni Association could serve to unify the school community and to keep the Franklin spirit alive!

Until her death in 1984, the flame of her love for Franklin School and her students never dimmed. She dedicated her life to the singular task of promoting the Alumni Association of Franklin School. The highlight of her year was the annual banquet and the renewal of friendships with those in attendance. After an annual banquet, she would begin to plan the one for the next year.

If there had not been a Louise Kendall, there would not have been a Franklin Alumni Association. If there had not existed her devotion to the promotion of the Alumni Association, it may have died an untimely death many years ago.

This year the Alumni Association celebrates its fiftieth Anniversary. It is proper that we remember the matriarch of this group because it is she who gave birth to it. One of her favorite quotes and one which she insisted be printed on the "necrology" page of the annual banquet is "To live in the hearts of those we leave behind it not to die". Louise Kendall, these words are true of you also!

Printed above is the obituary of Miss Kendall from the Mount Airy Times Weekly, January 19, 1984.

Dedicated to

Robert B. Holder

The Franklin Alumni Association Fiftieth Anniversary Committee has been honored to have as its chairperson, Robert B. Holder.

Robert is a native of Surry County, a graduate of Franklin High School and is married to the former Frances Marion. They have two children and four grandchildren.

Following two years of duty in the Korean War, Robert enrolled at Gardner-Webb College and transferred to Wake Forest University where he received B.S. and M.A. Degrees in History. He also has a Master's of Education Degree and an Educational Specialists Degree from the University of North Carolina at Greensboro. He has done post-graduate study at Appalachian State University, North Carolina State University, Lenior-Rhyne College and the University of North Carolina at Chapel Hill.

He is a member of Highland Park Baptist Church, serving as Deacon and Sunday School Director, and a member of the Day Care Committee. He also teaches Sunday School on the radio each Sunday morning

Robert is a former member of the Mount Airy Community Development Commission; former member of the Board of Trustees of Gardner-Webb College; past president of the Alumni Association. He was selected Teacher of the Year in 1973 while teaching at Mount Airy Senior High School. He served as chairman of the School Study Committee in 1976; Committee Chairman on the Englehardt and Englehardt School Study. He is a past member of NCAE and is a charter member of North Carolina Association of School Administrators.

In 1984 Robert was selected "Administrator of the Year" for District 4, by the North Carolina Association of Educational Office Personnel.

Robert is presently serving as Assistant Superintendent of Mount Airy City Schools, a position he had held for thirteen years.

The Superintendent of Mount Airy City Schools, Robert E. Chilton, has written: "Mr. Holder is a top-notch professional and always tends to his duties in the manner of a professional. He is intelligent, cooperative and a loyal colleague. He is a reserved individual who brings out confidence in those with whom he works. He is soft-spoken and patient, yet is not hesitant to use his authority when the situation demands. He is a tireless worker in both his chosen occupation and his church work."

His interest in students and in educational programs to help provide the best education possible is evident as he is recognized as an outstanding educator in Surry County and in North Carolina.

When the twenty-fifth Anniversary Book of the Franklin Alumni Association was completed, Miss Louise Kendall assigned Robert the task of compiling the fiftieth Anniversary Book. He has done a superb job with this task.

The Franklin Alumni Fiftieth Anniversary Committee is pleased to dedicate this Addendum to Robert B. Holder.

Discouragement, elation, dismay, ecstasy, fear and satisfaction were experienced by the staff of this *Addendum*. The unknowns, such as sources of pictures, funds of printing, and time to put the material together in an appealing and logical manner, exerted constant pressure upon each staff member. Innumerable meetings, continuing appeals for pictures and a constant awareness of deadlines were ever present. The staff met the challenge in triumphant style. This *Addendum* is presented to the Franklin Alumni Association for its fiftieth anniversary celebration as a work of love. Our greatest hope is that it will meet your expectations and provide all with a deeper appreciation and love for our heritage.

The *Addendum* tells the history of Franklin School, expanding on the information contained in the *Franklin Maroon and Grey 1929-1959*, twenty-fifth Anniversary edition, published in 1963. The staff strives to present an accurate history based on the information available. Pictures used before in some publication were used in the *Addendum* only when it was necessary in order to present the complete story of Franklin School. Please forgive any errors; any made were unintentional.

Thanks to the scores of people who contributed in some way to the success of this *Addendum*. Your contribution, coming from that special love for Franklin School, made this book possible.

Franklin Alumni Service Award

The Franklin Alumni Service Award was established by the Alumni Association in 1963 for the purpose of recognizing former students who have made outstanding contributions to their communities and who have achieved personal success in their careers.

Factors that are considered by the awards committee in selection of recipients are service through their churches, participation in community activities, leadership for the common good and personal success in a career.

Nominations may be made by any member of the Alumni Association. A committee comprised of the three immediate past presidents of the Alumni Association examine written recommendations and select the award recipient. The Alumni Service Award is presented at the annual banquet held in May.

Listed below are the Alumni Service Award recipients through 1987.

Early Days . . .

Just how many years a school has existed at the present site of Franklin School cannot be determined by current evidence. Older members of the community say that their parents told of schools that operated north of the present school site, in Toast, approximately one-third mile south of the present site, on the west side of Franklin Road and at "Old Hollow".

Apparently a school operated at the present site of Franklin School for a number of years before it was named "Franklin School".

The picture below, provided by Mr. Joseph Folger, shows a group of approximately fifty-six (56) students of all ages which comprised the student body of a school in the year 1905-06. Mr. Folger's mother, Mrs. Emma Welch Folger, was a teacher in that school. On the back of the picture below, in Mrs. Folger's handwriting, is the notation "Pleasant Grove School, Mount Airy, N.C. January 19, 1906". The other teacher in the picture is Nell Clark. It is apparent that the students in the picture are Franklin School students. Also, Mrs. Folger taught for a number of years at Franklin School.

The building in the background is of white wooden clapboard construction. It may have been a two-story building. Apparently this same building is seen in the background of other early pictures in this *Addendum*.

Mr. Joseph M. Folger became principal of the school in 1909 and served three years. There he met Miss Emma Welch and they were married at the Quaker Parsonage in June 1913.

Cousins of Mr. and Mrs. Folger who later taught at Franklin School include Lee Anna Hutchins, Lula Davenport, Thomas Houck, and Jack Folger. Mrs. Folger's sister, Mrs. Alice Dunman, taught at Franklin School for more than twenty (20) years.

The son of Joseph M. and Emma Welch Folger, Joseph C. Folger, was graduated from Franklin School in 1934 and in 1942 was married to Miss Margaret Ray, a teacher at the school.

J. W. Dearing Register of Deeds.

In August, 1905 the Shadrach (Shade) Franklin family sold one acre of its farmland to the County Board of Education at the Franklin School site for $25.00. Tradition in the community is that the Franklin family also donated some land to the school but there is no known evidence to support that tradition.

Above is a facsimile of a deed conveying one acre of land from the Franklin family to the Surry County Board of Education in 1905. This was taken from Book 45, P. 180, in the office of the Register of Deeds, Dobson, North Carolina.

It is believed that as a result of the acquisition of this land from the Franklin family, the name of the school was changed from "Pleasant Grove School" to "Franklin School" sometime after the 1905-06 school year. The road in front of the school at that time was called "Fancy Gap Road".

Not only was the name of the school changed to Franklin School, but the community which grew up around the school came to be called the Franklin Community. The name of the road in front of the school came to be called Franklin Road. It stretched for a number of miles, from highway 601 on the south to highway 52 on the north; it was paved during the 1936-37 school year. (Occasionally today you will hear older members of the community refer to North Franklin Road as "Old Fancy Gap Road").

Surry County, traditionally, has been a rural county with many small communities. Before modern times and the hundreds of miles of paved roads, each of these small communities had its own school, similar to the one that operated at the Franklin School site. Reportedly, over one hundred of these small rural community schools existed in Surry County as late as 1920.

These community schools, many times, operated on an irregular basis. The January 30, 1908, edition of the Mount Airy *News* carried a news item with this sentence - "The school at the Edmonds schoolhouse will close Thursday the 30th after a four month term." It was not until 1933 that the state assumed financial responsibility for an eight-month school term state-wide.

Within the current Franklin School district, other schools operated in the early part of this century. Greenhill, Beamer and Imogene schools operated and later, when roads were paved, consolidated with Franklin School.

Above is a picture of the student body of Beamer School which was located on Piper's Gap Road. Beamer School was consolidated with Franklin School and many of the students in the picture were later graduates of Franklin High School.

Historic High School Building

The evidence that is available currently does not indicate how many school buildings have existed at the present site of Franklin School. Commnity tradition is that school buildings were located on this site in the last century.

The 1905-06, the 1915 and the 1920 student body pictures in this *Addendum* show a white clapboard school building in the background. Evidence does not exist to indicate when that building was constructed. The white clapboard building was used until the new brick building was placed in use in 1927. The white building was moved to the southwest corner of the school property, near present Franklin Road, approximately where the front portion of the former high school building is located.

In 1924 the contract for construction of a new brick building was let. The building contained eleven classrooms built around a central auditorium. The cost of the building was $19,000. A picture of that original building, taken from a newspaper, is shown above.

The new building could not house all students when it was occupied in 1927; therefore, two or three classes continued to use the white clapboard building until additions could be built to the brick building. The additions consisted of wings built on each side at the front and rooms in the basement (see picture above.) Evidence indicated that, upon completion of the additions, classes moved out of the white clapboard building in 1932. That building was razed at some point in the early 1930's.

The other additions to the original brick building consisted of a lunchroom built underneath the south wing (C. 1938-39), a classroom underneath the north wing (usually for an eighth grade) and classrooms underneath the main building on the north side, used by the agriculture classes.

The original brick building was destroyed by a tragic fire on February 6, 1957. The fire originated before many students had arrived for school and, therefore, no one was injured. The loss of that building touched the souls of all who attended Franklin because so many fond memories of the pleasant experiences which occurred within its walls.

Fiftieth Anniversity Celebration

The Class of 1932 celebrated the 50th anniversary of their graduation at the Franklin Alumni Banquet on May 8, 1982. There were six members present out of the original seven that graduated. Jettie Edwards Estes was absent. They made some pictures, call the roll, and Ernestine Chappel, shown above, read the class poem. Everyone enjoyed being together and remembering their school days of fifty years ago.

The gymnasium was built in 1932 by WPA workers.

From the beginning, team sports were much a part of Franklin School. Many young people spent hours of practice in this gymnasium. Because of the dedication to the cause, the insistence on practice from their coaches, Franklin School had many winning teams, especially basketball teams.

Everyone probably remembers the pot-bellied stoves that heated only the side sections of the gym.

For many years Franklin was recognized as not only having winning teams in sports but also for showing the best sportsmanship on the home court and when playing other teams on their courts.

Another bit of nostalgia, Halloween Carnivals were held in this gymnasium. These carnivals were to raise needed money for special projects, equipment and operational costs.

MEMORIES

BY MARY LOU HOOKER

The night was hot and sultry
As I sat there on the floor
And a-knocking and a-bumping
Seemed to come upon the door.

Suddenly a shining figure
Larger than an average man.
Crossed the room and then in silence
Took me quickly by the hand.

"Your High School days are nearly over".
Said this person from above;
We will travel back in memory
And see again those days you love.

Then I saw a flash of lightning,
And I heard an awful roar
Then the wall that was before me
Lay down flat, just like a floor.

Then the floor did seem to lengthen
It stretched out to meet the sky.
It looked like a huge highway
Leading into Franklin High.

Then I saw my dear old classmates
As they started on their way
Their days were full of fun and laughter
Everyone was bright and gay.

And the colors I saw gleaming
As they came into the light
Were colors chosen by our class
The dear old blue and white.

I could see that there were roses
Blooming out beside the gate
'Tis the flower that was chosen
By the class of forty-eight.

All too soon came the finale
For my class is soon to go
We are very sad at parting
Leaving old friends that we know.

Then at last I saw my classmates
Starting on their way to fame
Now, I thought, I'll see the future
Of each classmate by his name.

Then I saw that all was darkness
And the vision began to fade
"Memory takes us back, not forward
So this figure with me said.

I was then back in my room
And it was no longer hot
For a storm had spent its fury
While I slept besid e my cot.

Built in 1940

This two-story building was the Franklin High School Building from 1940 to 1953.

Many people remember Miss Kendall teaching English classes in the room that was also the library. The science laboratory and Miss Hatcher's room were located on the first floor. The Home Economics department, Miss Coltrane's room and Mrs. Locklear's room were on the second floor.

As the enrollment grew, new courses were added to the curriculum. Typing, bookkeeping and shorthand were taught by Mrs. Fourqurean on the second floor in the hallway. Miss Helen Cox also taught business courses.

Rites Are Held For E. P. McLeod, Former Principal

The funeral for Edward Phillips McLeod of Sanford was conducted Saturday afternoon at Lemmon Springs Methodist Church. Graveside services were held at 4 p. m. at Evergreen Cemetery in Charlotte.

Mr. McLeod was born in Lemmon Springs to John K. and Addie Garner McLeod. He was a former principal in Surry County's school system for about 14 years and made his home in Mount Airy.

He was principal of Franklin School from 1928 until 1942 and was described as a very well liked person and school official.

Surviving is his wife, the former Bernice Hartman.

Mr. E. P. McLeod, first principal of Franklin High School, passed away November 24, 1961.

Above is the clipping that appeared in the newspaper at the time of his death.

Miss Virginia Coltrane, beloved teacher and friend of students at Franklin School.

She taught Vocational Home Economics at Franklin for many years.

The first Future Homemakers of America Chapter at Franklin was organized in 1945 by Miss Coltrane, who was also the Advisor.

Her students knew her as a teacher who knew something about everything. They could always go to her for advice.

Presently Miss Coltrane is living with her brother, Bill Coltrane, in Emory, Virginia.

(1954)

The new Franklin High School Building was built in 1954. In addition to more office space, there were more modern classrooms, science laboratories, home economics department, business classrooms, and an adequate cafeteria.

Franklin High School was the largest county school in Surry County for a number of years.

With this additional classroom space, it was possible to provide a broader course curriculum for Franklin students.

The Alumni Association has met once each year in the cafeteria of this building since 1954.

Class Poem

MEMORY

Our high school days we see again
And sadden as we review;
But still as memory crows our brain
There's pleasure in it, too.

"Success is found in trying"
This motto we have chosen.
Our colors green and white
Nature has cleverly woven.

The lovely white carnation
Symbolid of our happiness
We've experienced here at Franklin High
So great --- words can's express.

As our happy school days come to an end
There's a tear in every eye.
We'll never forget the hours we spent
at dear old Franklin High

MOUNT AIRY, NORTH CAROLINA, THURSDAY, SEPTEMBER 22, 1977

Former Editor Of TIMES Reminisces

About Athletes Hiatt

[Ed. Note: Two of this section's top rated athletes during what has been termed the grand era of sports here died recently. Luther Byrd of Elon College, former editor of the TIMES, remembered well the careers of Jimmy Hiatt and Coon Creed and authored the following article.

Byrd founded the sports publicity program for UNC-Chapel Hill while a student there and he did the publicity for the first football game and dedication in Kenan Stadium there in 1927. Upon graduation, he returned to Mount Airy and joined the TIMES. He taught and coached at Westfield High School for 19 years and worked with the city softball program and county baseball league operated under the sponsorship of the TIMES.]

By LUTHER N. BYRD

When Jimmie Hiatt and Coon Creed died within the past two weeks, there came to an end two of the truly brilliant chapters in the early story of sports in Mount Airy and Surry County, for both Hiatt and Creed were among the greatest athletes to perform in this area in that period that embraced the late 1920's and the 1930's, and the deeds which they performed on athletic field and court half a century ago will live forever in the memory of those who knew them.

Jimmie Hiatt played his high school sports at Flat Rock High School, starring in both basketball and baseball, and he later went on to Appalachian to win his letter as a very fine baseball pitcher. After completing his education he became teacher and coach, and for many years he directed the Franklin High School athletes to brilliant records in basketball, baseball and track.

In addition to his high school and college sports play, Hiatt also ranked as one of the most outstanding performers in the old Surry County Baseball League, which operated for about ten years under the sponsorship of the Mount Airy TIMES. He pitched and played infield for the Westfield baseball team and the writer of this article, who managed that Westfield team of other years, still remembers Jimmie Hiatt pitching and winning a twelve-inning 1 to 0 victory over Level Cross in a game that decided the league championship one season.

JIMMY HIATT

Because Jimmy Hiatt spent all of his educational career in his native area, his exploits are well known to many present day sports fans, but the older generation of sports enthusiasts remember equally well the athletic feats of Coon Creed, who played all three major sports of football, basketball and baseball in both high school and in college nearly half a century ago.

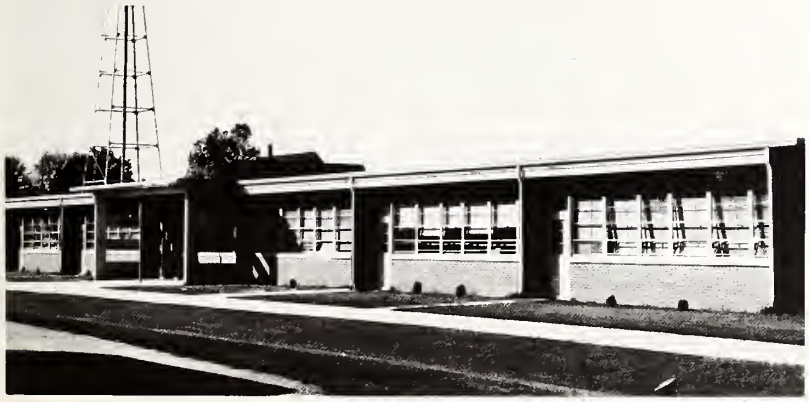
A New Elementary School 1957



(1957)

On February 6, 1957, the original Franklin Elementary School building was destroyed by fire.

To quote from The Franklin Maroon and Grey (1929-1959), "The Franklin High School and community rallied to build a better and bigger school. Within days plans were put into operation to finish the school year. Churches and other groups in the community volunteered the use of their facilities.

The Franklin spirit carried us through hard days.

The dedication ceremonies of the new elementary school building at left were held on November 14, 1957.

Mr. J. Sam Gentry, Superintendent of Surry County Schools, presented the new building to the community and Mr. James C. Hiatt, principal, accepted the building for the school.

Franklin High School students began attending North Surry High School when the county high schools were consolidated in the fall of 1959.

TO WHOM IT MAY CONCERN:

I have known Mr. J. C. (Jimmy) Hiatt for 33 years. I taught and coached with him in FHS and shared with him many concerns and joys in the development of boys and girls. He then became principal and for three years I found him to be a fine administrator and a wonderful persons to work with. Now he is considered by many people to be a top rated administrator. This is shown in the outstanding progress of his school.

Mr. Hiatt has a quiet manner, friendly and understanding. In his dealings with students, teachers, and parents he shows his desire to do whatever is best for all concerned. He is a deeply devout Christian man and gives generously of his time, service and money to his church. He is a good family man, having four fine sons and two daughters - all accomplished, educated good citizens.

I know of no man who is more respected in North Carolina. His influence on countless boys and girls and his confidence in them have helped them to become fine men and women. I personally feel he is a most deserving person for an award in education.

Sincerely,

Louise Kendall

THURSDAY, SEPTEMBER 15, 1977

Hiatt, Retired Principal Of Franklin School, Dies

James Callis (Jimmy) Hiatt of Route 1, Mount Airy, whose career in education spanned more than four decades, died early Sunday morning in Salt Lake City, Utah, after suffering a heart attack.

He was 65.

The retired principal of Franklin Elementary School and his wife had been visiting a daughter, Mrs. Sarah Nancy Tame, in Salt Lake City when he suffered the fatal attack. They had planned to tour the Holy Land when they left Utah.

Funeral services will be held at 4 p.m. today (Thursday) in the Church of Jesus Christ of Latter-day Saints, conducted by Bishop Eldon Cluff and Elder David Hiatt. Burial will be in the church cemetery.

The body will remain at Moody Funeral Home until taken to the church.

Born December 19, 1911 in Surry County, he was the son of James Monroe and Nancy Inman Hiatt.

He was a member of the Church of Jesus Christ of Latter-Day Saints.

He was a member of the Franklin Ruritan Club.

A graduate of Appalachian State Teacher's College, now Appalachian State University, he retired in June as principal of Franklin School, ending 42 years in the education profession.

During his lengthy service to the education profession and this area, he had been a teacher, coach and principal. He was principal of Sheltontown School during 1932-33 before going to Franklin School.

He was one of this area's better-known coaches, heading Franklin School's basketball, baseball and track programs. His teams won numerous county and conference titles.

Franklin Elementary School underwent several face-liftings during his career. Originally a school housing grades one through 12, when he retired the school, housing grades from kindergarten through eight had an enrollment of 1,150 students.

When he retired as principal of the school in June, several civic, fraternal and business organzations paid him honor. Included in these was a 15-day trip to the Holy Land.

In his letter of resignation to the Surry County Board of Education, Hiatt stated, "I have counted my blessings many times and I have concluded that I have been the most fortunate principal in the state."

He was praised by Charles Graham, superintendent of the Surry County Schools, for his "out-standing performance" at Franklin School.

Mr. Hiatt is survived by his wife, Mrs. Margaret Ann Sutphin Hiatt; two daughters, Mrs. Sarah Nancy Tame of Salt Lake City and Miss Lois Ann Hiatt of the home; four sons, Dr. Max Roe Hiatt, Leon Grant Hiatt and Dr. Monty Dean Hiatt, all of Mount Airy, and James Kay Hiatt of Stuart, Va.; 11 grandchildren; three sisters, Mrs. F. Stevens of Mount Airy, Mrs. Ellen Holmes of High Point and Mrs. Eva Bell of Kannapolis; and three brothers, David L. Hiatt, Albert Hiatt and Vestal Hiatt.
